

BRENDAR
ENVIRONMENTAL INC.

Driver (DZ or G) / Waste Technician

Posted: February 16th 2022

Job Description

DZ or G License Driver (30%) / Waste Technician (70%)

Full time and Part-time Positions Available – **ALL Relevant Training Provided**

This Job suits someone who is flexible and enjoys a VAREITY of work experiences. Approximately 70% of your time will be on-site as a waste technician handling both non-hazardous and hazardous waste materials. This involves shipping/receiving, collection, sorting and packaging materials. The other aspect of this position (approx. 30% of your time) will be Driving truck; either picking up from clients or dropping off materials at receivers.

- \$17.00-20.00/hr. (Depending on Experience and Skills)

Our people have made BRENDAR one of the most trusted hazardous waste management companies in Ontario over the last 25 years. Placing a strong emphasis on customer service, environmental responsibility, and a respectful enjoyable work environment amongst our staff. We have worked hard to earn a reputation for providing trusted, dependable, and flexible waste management and electronic recycling solutions for our clients.

At BRENDAR we are not simply looking to “fill a position”, rather we are always looking for good people to help develop and expand our capabilities. If you are an individual who takes exceptional pride in your work we look forward to meeting with you.

Responsibilities:

- Shipping/Receiving
- Managing Inventories of hazardous and non-hazardous wastes
