

Lead Hand - Waste Technician

Full time – ALL Relevant Training Provided

Starting Wage: \$20.00/Hr.

We are looking for a positive individual with a great work ethic. This Job suits someone who is flexible and enjoys a busy work environment. As a working lead hand approximately half your time will be on-site performing operational assistance and staff guidance a busy waste transfer station. The remainder of your time will be assisting in various waste collection, handling and processing operations.

Our people have made BRENDAR one of the most trusted hazardous waste management companies in Ontario over the last 25 years. We proudly place a strong emphasis on customer service, environmental responsibility, and creating a respectful, enjoyable work culture. We have worked hard to earn a reputation for providing trusted, dependable, and flexible waste management and recycling solutions for our clients.

At BRENDAR our CORE values are **TRUST, KINDNESS** and **RESPECT**. We are looking for good people who will contribute to a positive work environment rooted in Kindness and Respect and help develop our operational capabilities. If you are an individual who takes pride in your work we look forward to meeting with you.

Job Location: 1122 Rosewarne Dr., Bracebridge, ON

Responsibilities:

- Processing Activities – provide direction/supervision for transfer station staff
- Follow and maintain health and Safety requirements
